

About Ping An Property & Casualty

Ping An Property & Casualty was founded in Shekou, Shenzhen in 1988, marking the starting point of Ping An Group's diversified development.

Since its establishment, Ping An Property & Casualty has always adhered to a stable and healthy development strategy, providing comprehensive insurance protection services for individuals, families and enterprises. It has effectively played the role of an economic

shock absorber and social stability in serving the national economy and people's livelihood and assisting social governance. Up to now, Ping An Property & Casualty Insurance has developed and operated over 1,000 types of main insurance. Ping An Property & Casualty Insurance adheres to its original aspiration of "finance for the people" and is fully committed to writing the "five major articles" in finance.

Local strengths USPs

- **Technology finance**, Ping An Property & Casualty has provided over 9 trillion RMB in risk protection to more than 69,000 technology enterprises in key areas such as electronic information, biotechnology and medicine, aerospace, new materials, high-tech, new energy, resources and environment, and advanced manufacturing, contributing to the development of new quality productivity.
- **Green finance**, Ping An Property & Casualty has provided risk coverage of over hundred million RMB for more than 20,000 ancient and famous trees.
